

## Flying the Green Flag for Chesham

Lowndes Park has once again been awarded the prestigious "Green Flag" award. Thanks to Chesham Town Council & The Friends of Lowndes Park.

Chesham Town Council and the Friends of Lowndes Park have been hard at work maintaining the Park to a high standard. Existing planting has been tended and kept looking nice and new flower beds have been added around the toilet block and by the notice board at the entrance to the park. Recycling bins have been installed to allow for the recycling of plastic bottles and tins within the park. A new performance area with a seasonal canopy is being installed to replace the existing performance area in the centre of the park. This will allow the Sunday afternoon live music events to perform no matter what the weather brings.

## Blooming Marvellous

Chesham has once again entered the RHS Britain in Bloom Competition.

Prior to the judges visit members of the In Bloom committee and your local town councillors were hard at work weeding and tidying up the High Street and surrounding roads. Shopkeepers in the town will now be encouraged to keep their shop fronts clear of weeds and debris in order to keep the town looking at its best.

## Liberal Democrats

## HOLD Chesham

## Town Council

Thank you for returning your Liberal Democrat councillors in the Town and District elections in May.

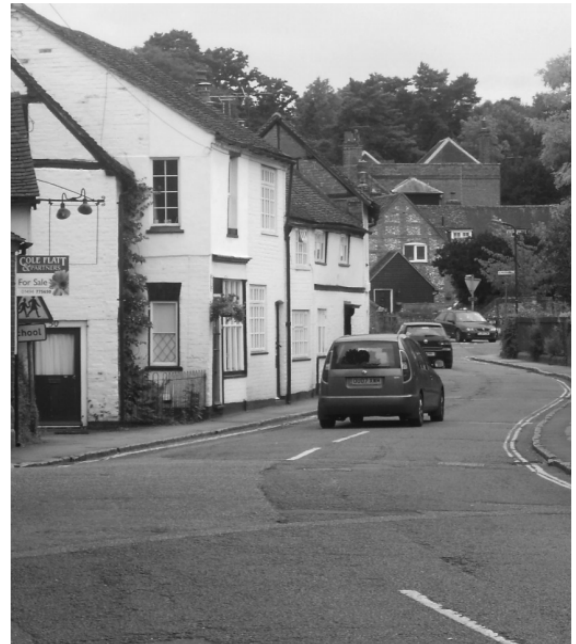

Chesham Town Council remains a Liberal Democrat-controlled council for the 4th term in a row. We will keep delivering the same quality of service that people in Chesham deserve and have come to expect. We have already succeeded in retaining Green Flag status for Lowndes Park.

## Germain Street — Traffic Calmed Down

Work is currently scheduled to start mid-August for the traffic calming scheme for this area to try and reduce the parking & speeding issues along Germain Street.

Your Local Liberal Democrats Colette Littley & Jane Bramwell have worked hard with both Bucks County Council & Thomas Harding School to try & solve the parking & speeding issues around Thomas Harding school.

The idea is that parents will now park in Water Meadow car park, walk their children to school and have a safe place to cross the road. This is all part of the school travel plan & will hopefully partly solve the congestion around the school during dropoff/Pick Up times.

### Comments or Questions??

If you have any comments or questions you would like to ask your Liberal Democrats use the details below or fill out the following and send to
