# Working to Prevent Flooding

In their role as Town Councillors responsible for Community Resilience, Alison and Patricia attended the national flood training exercise, 'Operation Watermark', earlier in the year. This highlighted the problems which flooding brings to neighbourhoods, and as we know, parts of Vale ward are highly susceptible to flooding. Alison is working closely with both Chiltern District and Bucks

County Council to ensure that, should we have a repeat performance of 2006, the last time the area flooded badly, measures are in place to deal with it.

You can rest assured that Alison and Patricia are looking after your interests with regard to flooding in Chesham, and Vale ward in particular.

## Why No roads Resurfaced in Vale Ward?

At the recent public meeting held in the Town Hall about the state of Chesham roads, both Alison and Patricia spoke about residential roads, making the

point that these roads are just as important as the main roads for the people living in them. Patricia also asked why it is only roads in our county councillor's District

ward which are being resurfaced when we have far worse roads in Vale. Pressure will be kept up to get our roads resurfaced.

# ChAV - Update

## • Lib Dems get ready for the Winter.

Jane Bramwell (Waterside ward) and Alison Pirouet (Vale ward) are working together to get Chesham Action Volunteers (ChAV) up and running again so that, should we have snow, as we have in the last two years, Chesham can cope with the problems that arise. If you would like to volunteer to help, please contact

Alison on 01494 7789085 or by e-mail at [Alisonp76@yahoo.com](mailto:Alisonp76@yahoo.com).
