

Bus Shelter to go....

At the recent NAG meeting held in Waterside, Town Councillor Jane Bramwell and local resident, former town councillor Francis Holly picked up on the point raised regarding the graffiti on the bus shelter in Cresswell Road.

Jane and Francis, realised that this bus shelter was not used any more, as a service does not go down Cresswell Road. Jane and Francis spoke with the local Town Council who originally installed the bus shelter and asked if it was possible to remove it in light of the graffiti problem and also the history of ASB that had occurred around this area.

The council have agreed to remove the bus shelter, and hopefully, after a refurbishment will be located elsewhere in the town.

Another example of local Lib Dems working for the community and saving money as well.

Fly Posting Menace

Local Chesham resident Ruth Juett was very annoyed at the amount of fly posting that seems to be appearing all over the Waterside area and indeed the town.

She approached the local Lib Dems to see what could be done. Your local Lib Dems agreed with Ruth that this did make the area unsightly and they will pursue clearance through the right channels.
